To Whom It May Concern:

Peterson Pacific Corporation is a manufacturer of heavy equipment. We are a manufacturer of portable wood chippers, horizontal grinders, blower trucks and trailers. We consume a variety of large and small components with tolerances that Precision Machine is able to deliver with precise accuracy.

Precision Machine is a top ten supplier of Peterson Pacific Corporation. Precision Machine has competitive pricing and their quality is very good. Precision Machine is very versatile and has an exceptional machine shop with a variety of high quality machining centers.

Sincerely,

Jody Volner,
Peterson Corp.
Purchasing Manager
